MANDOLA'S
Italian
MARKET

From small towns with names like Cefalú, Bisquino, Corleone and Mezzoiuso, they came and opened their neighborhood grocery stores. In that same pioneering spirit, and with a desire to preserve the Italian-American experience, Damian & Trina Mandola welcome you to Mandola's Italian Market. It is an authentic Italian grocery. It is a place to gather. But most of all, it is a place to truly enjoy great food and warm Italian hospitality. Benvenuti!

Frances (Mandola) Corona, Charlie Corona, customer, Vincenzo Mandola at Mandola's Grocery, corner of Leeland and Palmer, Houston, TX, c. 1939.
